. . . and a
terrific raffle!!

As some of you may know, my sister, Helen Langello, was diagnosed with MS about ten years ago. She is doing remarkably well with the medication she is presently on and maintains a very positive attitude. My hope is that this eighth Golf Tournament will significantly help to raise funds and awareness to find a cure. With the loving support of her family and friends, and your generous support of this and future tournaments, I know we will succeed!

Mark Lenz
